DISTRICT 8 4-H CONSUMER DECISION MAKING

PARTICIPATION

Participants must be 4-H members currently enrolled in a Texas 4-H & Youth Development county program and actively participating in the Consumer Education project.

AGE DIVISIONS

Age divisions are determined by a participant's age as of <u>August 31, 2011</u> as follows:

<u>Division</u>	<u>Ages</u>	Birth date between:
Junior	8 years old and in 3rd grade or 9 - 10 years	Sept 1, 2000 – Aug 31, 2003
Intermediate	11-13 years of age	Sept 1, 1997 – Aug 31, 2000
Senior	14 - 18 years of age	Sept 1, 1992 – Aug 31, 1997

MEMBERS PER TEAM

This is a team event; therefore, entrants are encouraged to be part of a team. Each team will have at least three (3) and no more than four (4) members. Individual entries will be allowed, only if there are not enough individuals in the county to make up a team.

Note: A County can only have a maximum of 2 individual entries per age division. An example of an entry: 1 team (4 members) and 2 individuals per age division.

Juniors may be moved up to an Intermediate team, if necessary. However, Intermediates may NOT move up to a Senior team, and NO individual may move down to a younger age division.

TEAMS PER COUNTY

A county may enter a maximum of three (3) teams per age division in the district contest.

CLASSES

Classes will be selected by the Consumer Decision Making Committee members and chosen using criteria included in the current Consumer Decision Making Study Guide. There will be seven (7) minutes allowed for judging of each class. Each age division will judge six classes, with one class being a "Mystery." The following is a list of classes for the 2012 D8 contest:

Junior/Intermediate	Senior
Digital Media Players	Digital Media Players
Cell Phones	Cell Phones
Movie Rentals	Movie Rentals
Digital Cameras	Digital Cameras
Watches	Green Cleaning Products
Mystery	Mystery

CLASS PLACINGS

All classes will be placed, and cuts will be determined, by contest committee members, using the current 4-H Consumer Decision Making Study Guide. Copies of the correct placings, cuts, and situations, will be emailed to each County Extension Agent and later posted on the District 8 4-H website at http://d84-h.tamu.edu/events-and-activities/consumer-decision-making/. 4-H members and adult leaders may obtain a copy from their agent. Scan sheets will NOT be returned to the contestants or to any County Extension Agent.

WHAT TO BRING

Scan sheets will be used for tabulation and one will be provided to each contestant. Each 4-H member should bring their own <u>calculator</u>, <u>clipboard</u>, <u>manila folder</u>, and at least <u>two #2 pencils</u> to mark their scan sheet and for note-taking. 4-H members must be careful not to make any stray or extra marks to prevent problems when the scan sheets are scored. An example of the scan sheet is attached.

WHAT NOT TO BRING

Paper will be provided on the day of the contest. <u>NO additional paper</u> materials will be allowed in the judging area. <u>Talking and cell phones</u> will NOT be permitted during the contest. Failure to follow these rules will result in disqualification from the District Consumer Decision Making Judging Contest. Cell phones will not be allowed to be used as calculators.

REASONS

The reason class(es) will be determined by the Consumer Decision Making Committee and will be announced at the contest during orientation. Paper will be provided to each contestant for note-taking during judging of the classes.

Juniors will not give reasons. Juniors will receive two (2) sheets of paper to write their placings.

Intermediates will present one (1) set of reasons, and can make and use notes on paper when giving reasons. Intermediates will receive two (2) sheets of paper.

Seniors will present oral reasons on two (2) classes. Paper is allowed only for note-taking and studying, but will not be allowed when presenting reasons. Seniors will receive three (3) sheets of paper. Senior contestants will judge and talk reasons in two rounds. They will judge three classes then talk one set of reasons. Then, they will judge the other three classes and talk their second set of reasons. See attached schedule for further clarification.

In order to make the reasons judging and line-up run smoothly, a reasons order will be developed prior to the contest to be followed when contestants are giving oral reasons.
