Learn about raising show poultry

Learn about selection and showing your birds

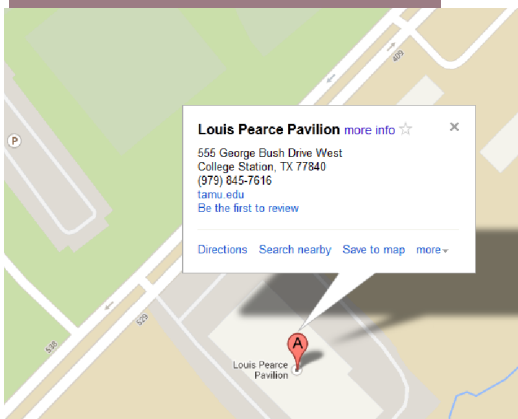

Learn from the "experts", ask them ?s

Hear from the judges themselves  
what they are looking for

- ◆ This workshop provides an excellent opportunity to "hear the experts" and work alongside Texas' major poultry judges.
- ◆ Educational activities include in-depth discussion on:
  - brooding, management, sanitation and feeding programs and selection broilers and turkeys.
- ◆ Also "hands on" practice in early culling and selecting, handling your birds during the show and "putting together" show pens.
